

## Growing Seeds Waitlist Form

Wait list applications are accepted at tours or after having come for a tour. Filling out this application does not ensure you a space in the program. Please attach the \$20 fee for maintaining the waitlist. You will not be added to the waitlist until you have paid the fee.

We will use this form to fill any vacancies in classroom appropriate for your child's age and development. Your priority on the wait list is determined by when you turn in this form. We enroll on a first come first served basis. When needed we will enroll based on gender. Siblings of children currently enrolled get priority over those on a waitlist. There is a \$20.00 non refundable fee for maintaining the waitlist.
